HOW TO PREPARE YOUR VEHICLE

Wrightway AUTO CARRIERS

PREPARING YOUR VEHICLE

All Vehicles Must be in Running Condition, Able to Steer and Stop

- ◯ **For Gas/Diesel Vehicles:** Make sure your vehicle's gas tank is less than 1/4 full (1/2 full for diesel)
- ◯ **For EVs:** Battery should be charged to 30%–50%
- ◯ Check the 12V battery charge
- ◯ Check tire pressure
- ◯ Check fluid levels
- ◯ Make sure the exterior is clean for inspection

During Cold Months (October 1st - April 1st)

- ◯ Check your vehicle's antifreeze and windshield fluid. All vehicles should be prepared to experience temperatures down to -40 degrees fahrenheit.

PACKING YOUR VEHICLE

Remove any Prohibited Items

- ◯ Firearms & Ammunition
- ◯ Hazmat Materials
- ◯ Propane
- ◯ Gasoline, or Gas-powered Equipment
- ◯ Solvents
- ◯ Oil-based Paint
- ◯ Aerosols
- ◯ Explosives, Fireworks or Flares

Secure Personal Effects Inside the Vehicle

- ◯ Place items on the back floor boards or back seats; driver's seat and passenger seat must be clear and empty.
- ◯ All windows must have a clear view.
- ◯ All items must be contained within storage bins, boxes, or other sturdy containers.

Secure Personal Effects In Truck Beds

- ◯ All items should be lower than the vehicle frame.
- ◯ Secure your items with tie-downs.
- ◯ Your items must be contained within storage bins, boxes, or other sturdy containers.

Please bring a copy of your vehicle registration with you when dropping off your vehicle at our office in Anchorage
